¹Not available for all apps or content. Display automatically adjusts to optimize for best viewing and battery performance.

²Pixel 4 / Pixel 4 XL: Approximate battery life based on a mix of talk, data, standby, mobile hot spot and use of other features, with Motion Sense off and always on display off. Use of Motion Sense, an active display or data usage will decrease battery life. Pixel 4 and 4 XL testing conducted in Mountain View, California in August 2019 on pre-production hardware and software. Actual results may vary.

Pixel 3a and Pixel 3a XL: Approximate battery life based on a mix of talk, data, standby, mobile hot spot and use of other features, with always on display off. An active display or data usage will decrease battery life. Actual results may vary.

Pixel 3 and Pixel 3 XL: Approximate battery life based on a mix of talk, data, standby and use of

Pixel 3 and Pixel 3 XL: Approximate battery life based on a mix of talk, data, standby, and use of other features, with always on display off and mobile hotspot off. An active display or data usage will decrease battery life. Wired charging: rates are based on use of the included charger. Wireless charging: Up to 10 W with Pixel 3 and Pixel 3 XL charging with Pixel Stand (sold separately). Actual results may vary.

Pixel 2 and Pixel 2 XL: Approximate battery life based on a mix of talk, data, and standby use with always on display off. Requires use of included charger. An active display or data usage will decrease battery life. Actual results may vary, see website for details.

Pixel and Pixel XL: Battery use statistics are approximate and represent mixed use of talk, standby, web browsing, and other features, according to an average user profile as defined by Google. Uses that involve an active display or data usage will use battery more quickly, actual results may vary. Charging rates are based on use of the included USB Type-C 18W charger.

³Pixel 4 and Pixel 4 XL: Pixel 4 and Pixel 4 XL have a water protection rating of IPX8 under IEC standard 60529. Charger and accessories are not water resistant. Water resistance is not a permanent condition and may be compromised due to normal wear and tear, repair, disassembly or damage.

Pixel 3 and Pixel 3 XL: Pixel 3 and Pixel 3 XL have a water protection rating of IPX8 under IEC standard 60529. Charger and accessories are not water resistant. Pixel 2 and Pixel 2 XL: Pixel 2 has a water protection rating of IP67 under IEC standard 60529. Charger and accessories are not water resistant.

⁴Storage specifications refer to capacity before formatting. Actual formatted capacity less.

⁵Pixel 4 and Pixel 4 XL: Google Photos offers unlimited online storage for all photos and videos uploaded in high-quality. Photos and videos uploaded in high-quality may be compressed or resized. Requires Google Account and internet connection. Data rates may apply.

g.co/help/photostorage

Pixel 3a and Pixel 3a XL: Google Photos offers free unlimited online storage for all photos and videos uploaded in high-quality. Photos and videos uploaded in high-quality may be compressed or resized. Requires Google Account. Data rates may apply. g.co/help/photostorage

Pixel 3 and Pixel 3 XL: Free unlimited online original-quality storage for all photos and videos uploaded to Google Photos from Pixel 3 through 1/31/2022. Photos and videos uploaded before 1/31/2022 will remain free at original-quality. Requires Google Account. Data rates may apply.

g.co/help/photostorage

Pixel 2 and Pixel 2 XL: Free unlimited original-quality storage for photos and videos taken with

Pixel 2 and Pixel 2 XL: Free, unlimited original quality storage for photos and videos taken with Pixel through the end of 2020, and free, unlimited high-quality storage for photos taken with Pixel afterwards.

Pixel and Pixel XL: Unlimited original quality storage of photos/videos taken with your Pixel, high quality for all other photos/videos. Requires Google Account. Data rates may apply.
